Terms & General Guidelines

Standard commercial terms for NeuralAutomate.dev client engagements.

POINT	DETAIL
Payment terms	Website & initial automation setup: 50% advance upon contract signing, 50% on final delivery. Monthly retainer services are paid in advance on the 1st of each billing cycle.
GST	18% GST applicable extra on all domestic INR invoices as per Indian Government regulations.
Third-party costs	Domain registration, hosting servers, WhatsApp API Meta conversation fees, ad spend, and third-party SaaS tool subscriptions (e.g. OpenAI tokens, Twilio) are paid directly by the client.
Revisions	All website and custom workflow deployments include 2 full rounds of free revisions. Additional revision requests are billed at ₹1,500/hr (\$40/hr).
Minimum contract	SEO and Paid Ads management services require a 3-month minimum commitment for optimal algorithm learning and ROI compounding.

POINT	DETAIL
Refund policy	Initial advance payments are non-refundable once engineering or design work has commenced.
International clients	Email info@neuralautomate.dev for custom wire transfer / international invoicing arrangements (Razorpay checkout is currently India-only).
Custom quote	For complex multi-system enterprise integrations that exceed standard package parameters, use the 'Get Custom Quote' button to speak directly with an automation architect.
